Native Collection

Marc Kenzo

A uniquely Australian floor made from uniquely Australian timbers. Our Native Collection showcases the best that Australian timber has to offer. Featuring rich grains and knots coupled with a wide colour palette, this flooring can become the talking point in any home.

- FSC Certified Australian Hardwood top veneer
- Designed in Melbourne to the highest standards
- Extra matte brushed Bona lacquer finish
- Hevea core with birch foundation layer with tongue & groove system
- 25 year wear domestic wear warranty
- Low maintenance surface due to the protective coating
- Easy to clean

Installation - Native Collection can be installed as a floating floor or glued directly to dry, level and clean subfloors like timber or concrete.

Product images may differ from actual product. The availability of products, or the products themselves, may change at any time without notice
